Editorial

Dear Villagers,

I see some work has been done on the pavement in Church Road. I was a little surprised that it still seems to be patches, although better done than last time. I wish they would just re-lay the complete pavement. It would cost more initially but last so much longer and be safer.

From the diary it would seem that there are two AGMs on at the same time. We used to have a Village Diary to avoid such clashes. Anyone fancy taking on the role?

I note that a number of organisations are looking for new officers and committee members. Harlington has a wide range of clubs and societies, it would be a pity to loose them for lack of volunteers. I know times change, and the work situation is different to what it used to be, but consider if you could be part of running a group. We will run out of early retirees soon and we all grow older every day!

Finally, what changes have you noticed from the pandemic that you would like to be continued? Let me know. Clive.

Letter from Rev. Nigel Washington, St. Mary's

Dear Friends,

Once there was a baby born to a family and the parents thought they would like to have the child baptised. So, the father went to see the vicar and asked if this was possible. And the vicar said: 'No. I don't see you in church, so why should I baptise your son?'

The vicar obviously saw himself as a gatekeeper capable of discerning who should be blessed and who should not. How short sighted of him. But eventually the vicar relented and baptised the boy. About this time the maternal grandmother of this boy joyfully took the child in her arms and with a prayerful heart and godly blue eyes gazing with love, said to those around her: 'This one will either be a vicar or a teacher.'

The story is true as I was that child and since that baptism day I have been confirmed at the same church I was baptised in and married there too. 22 years ago I left that church to be ordained as a vicar in the Church of England but only after being a teacher, something I did for 34 years, 30 in Harlington.

It is amazing what can happen when we say yes to God and when others say yes to God on our behalf. It's amazing what can happen when someone prays for you and over you, like my wonderful grandmother. It's amazing what can happen when your parents are insistent on your behalf and push ahead to do the right thing, even when there is opposition.

Baptism is a wonderful thing and no one should leave home without it. Would you leave home without your shoes for your feet or your coat for protection on a Winter's day? No. Well why would you leave home without the covering for your life, the knowledge that you have said yes to God coming in to your life. Would you really look to journey in life without covering for the steps that you will take? Oh yes, that would be unwise.

It all begins with giving a **yes to God**, the request for baptism and the minister saying: **yes**, **it's possible** and friends saying: **yes**, **why not**, because God longs to say: **yes**, **do**. **This would please me**.

Who has missed out on baptism? Who has missed out on God? If it is you why not be baptised today? Just say yes to God. Then it will be a yes from the minister, a yes from friends and family, a yes from God and a yes from you. Make it 4 yeses and really use your God given talent.

And for those who have been baptised, is it time to freshen up your commitment to God and your journey with him. Do you walk with him week by week, day by day, hour by hour or minute by minute? Or rarely? Paul in the New Testament

Letter ctd., plus Harlington in Bloom & Thanks

gives us encouragement:

'I don't mean to say I am perfect. I haven't learned all I should even yet, but I keep working toward that day when I will finally be all that Christ saved me for and wants me to be.'

Every Blessing

Thank You

A very big THANK YOU to everyone who has supported the MS THERAPY CENTRE BEDFORD by buying my Marmalade and Jams from the garden at 31 LINCOLN WAY, or by giving generous donations.

We have raised £500.00 which has been forwarded to them and I know they are exceeding grateful.

Best wishes, Gwen Gray.

New Year's Day Walk 2022

A lovely way to start 2022: what could be better than meeting with 19 other like -minded ramblers & the first bit of sun we have seen for two weeks. It was unseasonably mild, a light breeze and we set off in boots & wellies (we all know about Harlington Clay!) across the field by the Village Hall, listening to the church chimes singing out 'Deck the halls with boughs of holly'. We were then treated to a brief, but dazzling display by three blue-and-gold Macaws flying free and returning to their confident owners.

We walked along the pavements of Barton Road (now becoming "Building Site Road"), with a clear view of Sharpenhoe Clappers to the right ... & then a descent down the VERY muddy bridleway down to Willow Farm. Such a pity some of the building rubble could not be used to improve this track. This led on to the Bottoms Road which we walked along for a while before turning off over a plank bridge. After passing a couple of new apple trees we crossed a substantial bridge over the mill stream.

Soon we got to Harlington Road, but followed the field footpath right to the gap in the hedge opposite the digger where it was explained that there was a footpath that was intended but never made official because the land owner was unknown! Nevertheless, we crossed the road, walked in front of the digger and then along the unofficial path meeting up with the official footpath, so avoiding an unpleasant & dangerous stroll along the busy road.

Walk 2022 ctd. plus St. Mary's Family

Next we skirted the edge of several fields and mostly didn't notice the time or distance or scenery because we were all busy catching up on news & enjoying the conversation. However, we had to admire the rainbow: it must have been raining at Pulloxhill!

We stopped for coffee by a large log, then returned via more field edges and Abbot's Hill above Bunyan's Oak. We were back shortly after 1pm, just as it was starting to rain. The Macaws had gone!

[&]quot;February, when the days of winter seem endless and no amount of wistful recollecting can bring back any air of summer."

Brain Tumour Research

AND WE ARE OFF!

2022 has begun with a glorious inspirational morning spent on the allotment weeding and applying manure in preparation for the new growing season and inspired by one of my Christmas presents, a brassica tent. So plans are made and there is a feeling of excitement for 2022, for cauliflowers, courgettes, and tomatoes, to name but a few. I even put a column on my calendar for what and when I need to sow specific vegetable and flower seeds to keep me focussed. Let's hope we can all stay safe and feel some level of normality, that what we write on our calendars actually stands a chance of happening, unlike in 2021.

There was an article on New Year's Day from Brain Tumour Research that stated 2021 was the best fundraising year

"2021 was our best ever fundraising year with more than £6 million raised. We have ambitious plans for 2022 and with your continued support, we can continue to fund the fight against this devastating disease."

So we can be encouraged with the progress that has been made and we can support the plans to match and maybe increase the funds raised to increase the opportunities for research through our continued support and fundraising.

Donations this Christmas raised £105; thank you all so much and in one of my cards was a cocktail recipe which I thought I would share with you all:

Gingerbread Russian

70ml vodka

45ml Kailua

45ml Gingerbread syrup

45ml Heavy cream

Fill glass with ice. Add the vodka, Kailua, gingerbread syrup and stir gently. Add the heavy cream and stir to combine. Garnish with cinnamon and gingerbread cookies.

Enjoy.

Please continue to stay in touch, read our articles and support our plant sales and fundraising.... watch this space!!

With love

HNH Good Neighbour Scheme

HARLINGTON NEIGHBOURHOOD HELP

GOOD NEIGHBOUR SCHEME

Notice - Annual General Meeting

Monday 7 February 2022 7.30pm At the Café 6 Lincoln Way Harlington

Harlington Neighbourhood Help (HNH) started in 2000 and was a pioneer group for Bedfordshire with, at one point, 80 volunteers. We currently have 19 volunteers and 6 Committee members who are all up for re-election at this AGM. Roles include Chair, Secretary, and Treasurer. We'd love to have a Minutes Secretary too if you want to join us.

What assistance do we give?

We helped over 320 people this year in the village by dropping off and picking up your prescriptions, getting to the dentist, hospital appointments and covid jabs, or a visit to the vets, or simply a Tesco shop. Sometimes we are just asked to pop in for a cup of tea and a chat. We also lead the Walks for Health and support the Flittabus trips to shops in Flitwick, Ampthill, and M. Keynes. Transport requests are for anyone who has difficulty using local public transport. We use DBS checked **volunteer drivers** who wait during your appointment, and these are reimbursed at 45p per mile. We always need more drivers. Short local journeys are currently free, but we do make a charge for Hospital trips.

How might you get involved?

As a driver, handy person or someone who lives in the village and is good at conversations with people. If you'd like to attend the AGM and are not a committee member or just want to have a chat please contact Sue Whittle, Secretary, on 07887 708304

Harlington WI

As 2022 gets under way, and as we learn to get on with our lives even with Covid, Harlington WI have some fascinating meetings planned over the next few months.

INSPIRING WOMEN

On Tuesday February 16th we have Ross the bloodbiker talking about the Blood Biker Delivery Service.

Come along and find out all about this amazing life-saving voluntary service.

On Tuesday March 16th, we are hoping to collaborate with Harlington Upper School to join in with our Resolution Evening discussions, as these are topics that all ages can all relate to. Don't forget the chocolate tasting as an extra incentive!

On a more serious note, we are looking for a new President as Lin is stepping down. She has very kindly offered to mentor anyone who is interested. Sadly, if no-one steps forward our WI will no longer be viable.

On Tuesday April 20th we are having our AGM where our new President and committee will be approved for the next year. We are always looking for new people to join the committee so please have a think about what you could do to help. We also have Elaine Mountforte speaking about how we can protect ourselves against scammers, which has sadly escalated during lockdown. There should be useful tips for everyone.

On Tuesday 17th May we are organising a Games Evening with a fish & chip supper. Come along and join in the fun!

Our meetings in the Village Hall start at 7.30 pm. Visitors are very welcome to give us a try. We are still observing current guidelines and the hall will be well ventilated for everyone's safety.

Remember to look out for Sara's newsletters with more details and updates on all our activities.

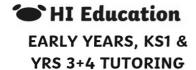

Take care and hoping to see you soon, Sally Tombe.

For further information please call Lin Merrison on 01525 757161.

Messy Church News

It is still possible for us to meet together in Messy Church, although anyone over 11 needs to wear a

face mask. We are also still running a hybrid Messy Church. Our pattern is to have the first 45 mins as activities, which you can

also join on Zoom although you may need extra

materials. Then we have a 45 min Celebration, which is also on Zoom, and this bit (or at least the leaders' bit of it) is also streamed to YouTube. We include activities in this bit for which the materials should be things you can find at home or buy easily, such as icing. Then we have tea. The YouTube video stays on the Harlington Methodist Church YouTube Channel, if you want to follow it later, and you can get a copy of the booklet and all the other material from https://cliveandtina.co.uk as a download.

Our December meeting was on the Christmas story. Mostly we focussed on the Wise Men,

although we had activities covering the whole story. So we decorated cakes with stars,

and made "camel dung", we painted stars, and made mobiles, we cut out whole angel choirs, and we made

Wise Men paper plate hand puppets.

Our February meeting will be on the 19th at 4 pm. We will be talking about an aspect of Lent.

Don't forget, while children need an adult, Messy Church, live or virtual, is not just for children.

If you want to have the material, or the Zoom link, emailed, contact me on clivedsalmon@aol.com.

Rolfing® Structural Integration: now in Harlington

Rolfing® is a unique form of manual therapy that could be described as a cross between deep tissue manipulation, chiropractic, physiotherapy and psychotherapy. The technique was invented by a pioneer of fascia work Ida Rolf. Fascia, also known as connective tissue, is an envelope of every muscle, nerve, bone and organ in the body and plays a critical role in postural alignment.

Rolfing® can help with:

poor posture coordination issues poor balance chronic back pain neck pain & headaches fascial tension and jaw tension.

I recently moved into the area and, as one of only 40 fully certified practitioners in the UK, have been practising Rolfing® since 2014.

St. Mary's Church Services in February

YOU ARE WELCOME. Just come sit and be....

This is a really good time to welcome new worshippers who would like to join a service occasionally, once a month or more often. We are pleased when new people join us on a Sunday morning. The more the better. We assure you of a very warm welcome and this February we will further unfold the story of Jesus. Come and sing, come and be...

All Sunday services are at 9.30am except where stated.

| 6th. | 8am | BCP Communion |
|------|--------|-------------------------|
| | 9am | Families Breakfast Club |
| | 9.30am | Holy Communion |
| 13th | 9.30am | Morning Prayer |
| 20th | 9.30am | Holy Communion |
| 27th | 9.30am | Holy Communion |

There is a weekly Church information newsletter issued by email. Let us know if you would like to receive this.

We also have a **Wednesday Morning Service** which starts at 10am. All welcome.

A Quintet **Upper Room Service** takes place **each Sunday at 6pm**. Join people from across the quintet of churches in an hour when you do not need to stray from your home. There's music, scripture, reflection and prayer in a time where you can just sit and listen. Contact a minister for a zoom invitation to the Upper Room.

Please check the Church Noticeboard and websites for updates.

The church is also available for Private Prayer by arrangement. Please contact Linda or Nigel or a churchwarden for access and for more information.

<u>Churchyard</u>: February is a funny month – what IS there to write about? Everyone talks about the New Year in January and then February begins, cold and wet. Well, there's a lot to look forward to with Spring around the corner. The churchyard primroses will soon be putting on their marvellous annual display and I recommend that you take a look when they do, as they are beautiful. The birds will be checking out the nest boxes to find one that's suitable, and we really hope the blue tits return. Fingers crossed.

Recycling: just a reminder that we are still collecting biscuit wrappers – sweet and savoury – to send to Terracycle. You can bring them to 43 Barton Road, or leave in the labelled bin at church (near to the 'normal' waste bins) which is through the side gate on Church Road. Thank you. I'm also trying to start a chewing gum recycling company......I just need a little help getting it off the ground!

Restoration Work: we have been given the go ahead for the first stage of our restoration work on the south porch of the church (facing the park). If any of you have walked past or perhaps visited the Nativity tableau, you may have noticed large cracks and missing masonry? It's not surprising given how old the church is, and also as a result of what previous generations thought would "improve" the exterior ie concrete render. We now know that wasn't such a good idea after all, leading to all sorts of problems! The current phase of work will cost around £60,000. We are now looking at any grants available and carrying on with our fund raising whenever we can.

If you'd like to help, a simple way is via the Easyfundraising website which raises income for us – at no extra cost to you – when you shop online at over 6000 retailers. After creating a login, you then go via the Easyfundraising website to your chosen store's website and shop as normal. You can also create a reminder icon which pops up on your computer. You can opt in or out of receiving email updates etc. If you'd like to know more or would like the link that enables us to receive an extra £5 on top of any fundraising, please do contact me. tricia.murphy5@ntlworld.com. Our Easyfundraising good cause is St Mary's Church Harlington Beds.

Best wishes, Tricia Churchwarden

Crafternoon Tea

We will start February as we tried to finish January – meeting at the Church, wearing masks unless eating or drinking. If you do not want to wear a mask for the afternoon, please feel free to join us on Zoom. I cannot promise that you will be able to hear us clearly – even if one is in the same room, wearing masks makes hearing and joining in conversations difficult! – but we will see what we can do to improve things. If there are only a couple of us, we might move into the vestry, the small room by the kitchen, where there is much less echo!

Crafternoon Tea meets fortnightly on Monday afternoons, between 2 and 4 pm. Conversation is often wide-ranging and not necessarily about craft. Our February meetings will be 14th and 28th. Please let me know if you want the Zoom link.

You do not have to be working at any particular craft, we welcome any and every craft, and all logics for crafting! If your hands don't happen to be occupied at the moment, it doesn't matter. If you want to try a new craft, we will endeavour to find you the materials and tools, and even someone to help, if that is what you need. If you just want a companiable afternoon, in a warm space, with refreshments, we can supply that.

We still have some Aida fabric, and embroidery silks available, as well as the beads mentioned last time. Are you hoping to start a new project, and need some additional materials? Come and see what we have.

The centre of each square is worked as a square, and then turned at 45° and finished off as a square at that angle. The finished item is a pram blanket or, made a little larger, a cot blanket. The pattern is printed in a "learning to crochet" booklet, published in the late 1970s.
